

Maritime Mobile Radio Telegram Award

issued by Prof. Braun Day

For amateur applicants there will be a competition. From the data of the application form, points are given for every qso. Top ranking sparks will be published on www.mmqtc-award.org 'coaststation Hitlist'. The restriction not to contact national stations of the applicant is not effective for special stations!

Calculation out of the QSO data from applicants form:

Each QSO is calculated to the following table:

Type of QSO	Abr.	Points	Multi	Examples
QSO		1 Point	0	QSO from F to I for callsign NBA (SA)
QSO to continent of coaststation		5 Points	0	QSO from I to W for callsign KPH (NA)
QSO to special stations				
Museum Ship	MS	10 Points	1	QSO with HMS Belfast „GB2RN“
Lighthouse/Lightvessel	LH	10 Points	1	QSO with lightvessel Elbe 1 - „DL0CUX“
Maritime Mobile	MM	10 Points	1	QSO with xyz/mm for anywhere
Maritime Academy	MA	10 Points	1	QSO with station at an Academy
Amateur Coaststation	CS	10 Points	1	QSO with "Norddeich Radio" - "DL7DAN"

QSO Joker station 20 Points 2 DL0PFB, GB2LD, GB2GM, IY4FGM
Joker stations are of historic radio places and might be reported in excess of the regular qso data, even when not being used to form coaststation calls.

Calculation:

With Joker QSO & multi : Total Points = sum of qso points * (number of multi + 1)

No Joker QSO or multi : Total Points = sum of qso points

Maximum points is 6000 pts :	Points	Multi
16 special stations	160	16
4 Jokers	80	8
Summary	240	24 ==> 240 * (24+1) = 6000 pts

Remarks:

Joker station might be reported additional to the list, even when not using them as Jokers for callsigns.

Joker and Special station could only be used once!

The restriction of national qso does not apply for Joker and special station qso.

Advise :

For special stations please add abbreviation (MS, LH, MM, CS) to column 'continent' on form if applicable.

Abbreviations:

MA Maritime Academy, MS Museum ship, LH Lightvessel, Lighthouse, MM Maritime Mobile, CS Coaststation
SA South America, NA North America, I Italy, F France, W USA,
